Subject: Letter of Appreciation

Dear Clowns4Care,

As a follow up to your trip last month, we wanted to extend our appreciation to the group for coming to Iraq. Over the week, you were able reach hundreds of children affected by conflict, displacement and illness and bring laughter into their lives.

Your sense of fun, patience and willingness won everyone over, and I wanted to personally thank you for bringing such a wonderful gift to the most vulnerable children.

Your flexibility in terms of adhering to the scheduled times, as well as cooperation with members of the UNICEF team helped make the visit a huge success.

Your group helped ensure that the logistics of the trip were managed thoroughly and promptly. We were able to coordinate publicity, including two accompanying journalists, as well as various social media outputs to maximize visibility for the visit.

The clowns were generous with their time, energy, and resources. They were a pleasure to work with, and we would welcome them back to Iraq again.

With appreciation,

Sharon Nogueira
Chief of Communications
UNICEF - Iraq
